**24th
Year!**

Dear Parents,

Thank you for your interest in your child's participation in the After School Bowling Program at Suburban Bowlerama. Please take a moment to review the following details of our program:

- Supervision: Adult representatives from Suburban Bowlerama will be present at the school prior to departure, on the bus to the bowling center, and at the bowling center. We will adhere to a ratio of one adult for every 25-30 students. **Staff involved with After School Bowling Program, have received their Act 114 clearances.**
- The program will last for 8 consecutive weeks. In the event of school cancellation or early dismissal, the program will be extended for one week so that all 8 weeks are completed.
- Upon checking in with the supervisor at school, your child will be signed in for bowling that day. He/she will not be permitted to leave the bus or the bowling center until signed out by a parent or guardian. If a child is a "walker", we must be made aware of this and/or any other special arrangements for pick-up after the program.
- No arcade game play will be permitted until bowling has completed for the day.
- If you elect to pre-pay for the entire program (\$80, save \$8), and your child misses a week of bowling, he/she will receive 2 FREE games for that week. Payment must accompany your child on first day of program. Please make check payable to Suburban Bowlerama.
- Teams will consist of 3 or 4 persons per team; children may choose their own teams, or we will place them with other children of similar age as best we can.
- Bowling will begin as close to 4:00pm as possible, and should finish between 5:15 and 5:30pm. You should arrange to pick up your child/children at this time. Children will receive a minimum of one hour and 15 minutes of bowling.
- All participants will receive a Suburban Bowlerama Youth T-Shirt and will be distributed on last scheduled day of bowling.
- Transportation will be provided to the bowling center by Reliance Student Transportation, a private school bus provider.

Note: If preferred, parents may provide their own transportation to the bowling center. Morning kindergarten children are welcome, but parents/guardian must provide transportation to the lanes.

Thank you for allowing your child to participate in this year's program!
