Student Agreement

As a learner, I agree that I will:

- Use my Chromebook for educational purposes.
- Follow the procedures and policies outlined in the Chromebook Guide and Dallastown Area School District Acceptable Use Agreement both at school and at home.
- Protect my Chromebook by carrying it securely in my district-issued carrying case and preventing careless or malicious damage.
- Never leave my Chromebook unattended in an unsecure or unsupervised location.
- Charge my Chromebook's battery to full capacity each night.
- Report all damages or issues with my Chromebook to my instructor.
- Not alter or attempt to change, disable, or circumvent the management settings, content filters, or any protective settings on my Chromebook.
- Never share my Chromebook with other students or individuals.

I understand that any violation of this agreement may result in the suspension or loss of my Chromebook and school network privileges. Additionally, I may face disciplinary action, as determined by school administration, for such violations up to and including suspension or expulsion.

Parent Agreement

I understand that my family's responsibilities include:

- Ensuring my child meets the expectations outlined in the Chromebook Guide and the Dallastown Area School District Acceptable Use Agreement.
- Protecting the Chromebook, within reason, against damage, loss or theft while it is at home or outside of school.
- Ensuring my child immediately reports damage to their instructor.

In consideration of the privileges and opportunities afforded by the use of DASD technology resources, I hereby release the DASD, its employees and directors from any and all claims of any nature arising from my child's use or inability to use these resources, including but not limited to claims that may arise from unauthorized use of a Chromebook. I also understand that it is impossible for DASD to restrict access to all controversial materials and I will not hold the District responsible for materials accessed with a District Chromebook.

I accept full responsibility for my child's use of the Chromebook while not in a school setting and understand that my child's Chromebook use is subject to the same rules and requirements when used off-campus. I understand that my child's Chromebook privileges may be suspended or revoked for violation of this Agreement. I also understand that my child may be subject to disciplinary action

Protection Plan Agreement

In order to take the device home and off school property, students are required to purchase a \$25 annual protection plan. Under this plan,

- The District will provide coverage for one Chromebook repair or replacement in the event of accidental damage. Subsequent damages will be the responsibility of the student.
 - The replacement plan does NOT provide coverage for the loss of the Chromebook and/or its accessories, cosmetic damage, or damages caused by intentional misuse and abuse.
 - Students will be responsible for the full cost of replacement (**\$250.00**) if it is determined that damage has been caused by intentional abuse and/or misuse.
 - The District reserves the right to request parents/guardians to pay additional fees based on claim history on loss, theft and damage.
 - I understand that should damage occur to the Chromebook assigned to my child due to intentional damage, I will be solely responsible for reimbursing the school for repair or replacement cost.
