

Why was my child/student screened for ESL?

When the HLS (Home Language Survey) was completed at registration, one of the three questions shown below regarding a language other than English was answered *with a language other than English, or yes* with respect to speaking another language:

1. What is/was the student's first language?
2. Does the student speak a language(s) other than English?
3. What language(s) are spoken in your home?
